

ENGLISH WORKSHOPS

FOR SCUOLA SECONDARIA SECONDO GRADO

Give your students the opportunity to practice speaking and listening with a mother-tongue English speaker. Through ACLE's new English workshops, your students will take part in creative activities that motivate them to learn, improve their language skills and confidence, and demonstrate that learning can be FUN!

Workshops are graded for the age, interest, and English level of the students according to the CEFR.

After the workshops, teachers will receive material that will help them elaborate the themes with their classes.

Guidelines for teachers:

- Workshop leader may request use of the *aula magna*, the gymnasium, or the school garden, and of a video projector.
- One workshop leader can work with one class at a time, for a maximum of 30 students.
