

ENGLISH WORKSHOPS

FOR SCUOLA PRIMARIA

Give your students the opportunity to practice speaking and listening with a mothertongue English speaker. Through ACLE's new English workshops, your students will take part in creative activities that motivate them to learn, improve their language skills and confidence, and demonstrate that learning can be FUN!

Workshops are graded for the age, interest, and English level of the students according to the CEFR.

After the workshops, teachers will receive material that will help them elaborate the themes with their classes.

Guidelines for teachers:

- Workshop leader may request use of the *aula magna*, the gymnasium, or the school garden, and of a video projector.
- One workshop leader can work with one class at a time, for a maximum of 30 students.

Workshop leader: Helen Graves is from England. She has a degree in Musical Theatre and a TEFL Certificate. Before working for ACLE, she worked professionally as an actress and singer until discovering her passion for teaching. She now works as a workshop facilitator and develops educational material for ACLE. She enjoys cooking, crochet, and travelling in her free time. E-mail: <u>helen@acle.it</u>
